SWACHHTA-HI-SEVA – SEVA DIVAS

The staff members of KVK had the opportunity to celebrate the Seva Divas along with 40 input dealers who are attending the Diploma in Agricultural Extension Services for Input Dealers (DAESI) programme at the KVK on 17.09.2017.

The participants cleaned the KVK campus, spread over 26 acres, including the amla orchard, office premises, its surroundings and also the sapota orchard for about 2 hours.

All the 40 dealers volunteered to participate actively in the Swachhta Abhiyaan and agreed to keep their shops and surroundings clean round the year. Twenty-two dealers among the 40, who have their input shops in Mysuru city, agreed to take part in the Swachhta competition. It was decided to review and recognise the 'Best Shop' in terms of cleanliness by the end of the month.

The KVK will continue to involve all of them in the Abhiyaan in the coming days and work towards keeping the KVK, its surroundings, clean.
